

THE WORLD AS IT COULD BE IS WITHIN REACH RITE OF PASSAGE AT ARROYO HIGH SCHOOL
2017-18 CLASS COMMUNITY ACTION PROJECT DEVELOPMENT

ISSUES IDENTIFIED ON CONNECTION WITH UDHR ARTICLES 25 & 26
(Listed in priority order based on number of votes shown at end of statement)

How could we help:

1. Provide more access to free feminine hygiene products and birth control. (8 votes)
 - Provide information about natural body development, i.e. menstruation
 - Let teachers know how to better communicate about personal needs of women
2. Provide better education about the different cultures and backgrounds that are part of American history and our current country. (5 votes)
3. Provide education about how slurs hurt and negatively affect people and their right to an education. (4 votes)
 - Teachers having cultural sensitivity and consistency, and not imposing their religion on students.
4. Provide access to healthy food. (1 vote)
 - School cafeteria offerings are not that healthy
5. Explain differences between public and private schools.
6. Address problems associated with long term substitutes who don't know their subjects.
7. Address problems with teachers who are not able to control their classes.
